

## **Remote GPO Client Development Specialist (posted 3-5-25)**

Iowa's leading healthcare alliance is seeking an experienced Client Development Specialist to support our members' and affiliates' supply chain management efforts. This position offers the right candidate the opportunity to work remotely.

This position will manage multiple projects across healthcare and non-healthcare sectors in the non-acute market, focusing on achieving cost savings and improving contract participation. This position will foster strong relationships with clients, distributors, suppliers, and internal teams to help clients fully leverage the value of the Premier contract portfolio.

Qualified candidates must have a high school diploma or equivalent and a minimum of two (2) years of experience in healthcare supply chain/GPO environment; post high school education is preferred. Experience working with contract connections, pricing activations, and technology tools such as Premier SCA, Power BI, or similar platforms is required. Must be highly competent in Microsoft Excel.

This position offers a competitive salary and a full benefit package.
